From: John Scanlan, Assistant Superintendent of Human Resources

Board Policy and Administrative Regulation 1240 reflect that all volunteers, regardless of activity, are required to be fingerprinted and cleared through the Department of Justice prior to participating in school events.

In addition, we are requiring that our Level II and Level III volunteers show proof of COVID-19 vaccination.

Volunteers will continue to use the electronic Volunteer Verification fillable form with your school site's School Community Coordinator. This form is also located on our District website.

The District is committed to providing a safe and secure environment for all students.

Please see documents that clearly detail the various requirements a volunteer must meet outlined under the Parent Resources Volunteer tab at www.ausd.us.
